## Best chicken cross the road joke ever

Concerned offender at the sceneFoto: library\_dragon via cc/Flickr Some jokes are timeless ... while others spend immensely year after year. I'd have a hard time finding someone who said their favorite joke was why the chicken crossed the street gag, but yet the format persists against all odds. So how did it happen that this wisecrack was about a yearless breeder who crossed a patient path? The question first appeared in Knickerbocker magazine, New York City magazine. In the 1847 case, she was mentioned as an example of a quiz that may seem like a riddle, but in reality it is a simple and relentless solution, an example against humor: Why does chicken cross the road?. Are you from the city?. Are you suing?. Well, then, 'Because he wants to get to the other side!' Not long after that, the line was changed and adapted to become an actual joke format, using different files and subversions of expectations (as everyone already knew the official answer). Here are 10 of our favorite versions of the joke. Why did the chicken cross the street? Joke and puzzle pad filled with activities that kids will love! In: Why did the chicken cross the road?
